Recommendations

Increase average spend per customer

- **Product bundling, Upselling and Add-ons:**
 - Offering combo deals | Coffee + Muffin offered for Morning Rush
 - Train staff to simple upsell | Offer regular or larger mugs
 - Focus on high-margin items | Highlight coffees and tea varieties
 - Custom Add-Ons | Add Almond milk, honey and flavored syrups

Increase foot traffic to new and old customers

- **Local partnering, Increase marketing and Customer retention:**
 - Partner with nearby offices, gym and salons | New customers
 - Improve visibility & create attractive signage | Weekly specials
 - Digital presence and reviews on social media | TikTok videos
 - Retain customers | create loyalty program (digital or stamp cards)

Targeted products offering and stores synergies

- **Expanding revenue streams, Online Orders and Events:**
 - Introduce new products and offer free sampling
 - Offer self ordering | click-and-collect and tastings classes
 - Offer branded mugs and glasses with chocolate drinks ordered
 - Ensure products offered are consistent quality across stores
